**SysID #:** 2062

**Password:** 705903

**Title:** STM Concurrency Control for Embedded Real-Time Software with Tighter Time Bounds

**Corresponding Author:** Mohammed El-Shambakey

**Authors:** Mohammed El-Shambakey, shambake@vt.edu and Binoy Ravindran

**Paper Type:** RESEARCH PAPER - 10 PAGES

### First author

**Corresponding Author**

Mohammed El-Shambakey

**Affiliation:** Virginia Polytechnic Institute and State Univ.

**Email Address:** shambake@vt.edu

### Second author

Binoy Ravindran

**Affiliation:** Virginia Polytechnic Institute and State Univ.
